Dear Colleagues in UNDERGRADUATE THEATRE PROGRAMS,

This is to announce the annual Kennedy Center/American College Theatre Festival Region IV Graduate Program Auditions and Presentations to be held at this year's regional festival at the Savannah College of Art and Design. The process is for students seeking graduate programs in acting, directing, design, management, and technology.

For graduating SENIORS eligible to enter a graduate degree program beginning in the fall of 2001 or JUNIORS who will graduate during the following year, the auditions offer an excellent opportunity to connect with a number of outstanding graduate programs all at one place and time.

With this letter find also:

- Audition information and procedures (PLEASE POST)
- A FLYER for your Callboard (PLEASE POST)

The audition information is not mailed directly to students and I would greatly appreciate your assistance in sharing this information with students who may be interested. Please duplicate, circulate, and post the information and flyer on your Callboards!

A response from the candidates no later than January 25, 2003 would be most appreciated. You may also include all the candidates on one verification letter rather than sending a separate one for each student auditioning if you choose. Please don't hesitate to contact me at (334) 670-3714/3224 or amoree@trojan.troyst.edu if you have any questions.

Sincerely,

Adena Moree
Graduate Program Auditions Coordinator
KC/ACTF Region IV
